...

Organized in four sections The story of champagne examines the history of champagne from its origins in the seventeenth century to the hi-tech industry of the twenty-first before examining the wine itself, how it is made, the crus, the vines and the harvest. The third section provides completely up-to-date statistics on wine production and consumption and Faith finishes off with an all-important and completely up-to-date evaluation of wines by their makers.

Classic Wine Library. When we set up The Classic Wine Library we were intent on both enlightening and entertaining those serious about wine (and a few other drinks too). The series has a history stretching back more than fifty years and has been published by Infinite Ideas since 2013. Books are detailed enough to provide plenty of information - much of which is not available anywhere else - for students of wine, sommeliers and others who work in the wine industry, but accessible enough ...
