The Agrarian History of South Asia: A Bibliographic Essay
Life was generally worse for peasants earlier in the middle ages, but by the 1300's, farming techniques, the growth of markets and towns, changes in the environment, and a generally more cosmopolitan world view by king and commoner alike all contributed to the overall improvement in peasants' lives.

Life in the 15th Century: Peasants – White Oak Society
India - India - Daily life and social customs: For almost all Indians the family is the most important social unit. There is a strong preference for extended families, consisting of two or more married couples (often of more than a single generation), who share finances and a common kitchen. Marriage is virtually universal, divorce rare, and virtually every marriage produces children.

AJMER – Encyclopaedia Iranica

The Middle Ages was also a period for the towns of Denmark. It was at this time that nearly all the towns that exist in modern Denmark first appeared. They were centres for crafts and trade, and archaeological finds testify to the extensive trading connections, capable craftsmen and the colourful social life of the towns.
